

UK Clinical Ethics Network – Annual Conference, 13th June 2025

On the edge: end of life and related dilemmas in clinical ethics

Abstract Submission Form

Delegates may submit an abstract to present a poster at the conference. Please note, posters will be displayed physically and should be A1 size and printed by delegates.

We welcome posters that are likely to be of interest to those attending the conference: members of clinical ethics services; health care professionals; lawyers; students; and lay people with an interest in clinical ethics. Posters may be on topics relevant to the conference theme or on any clinical ethics related theme likely to be of interest to delegates.

Abstracts (approx. 300 words) may be submitted until **Wednesday 28th May 2025** and applicants will be notified of the outcome of their submission within approx. 5 days.

Please email your completed abstract submission form to john.bridson@liverpoolft.nhs.uk
