MORAL TIME CAPSULE
OUR STANDARDS.
OUR REASONS.
OUR HOPES.

What we
believed
and why.
For those who
come after.

THE FUTURE
WILL JUDGE US
BY HOW WE
MEASURED
OUR MORALS
TODAY.

OUR MORAL STANDARDS ARE
NOT FIXED. THEY EVOLVE.
BENCHMARKING IS HOW A PROFESSION
HOLDS ITSELF ACCOUNTABLE ACROSS TIME.

NOT WHAT IS RIGHT,
BUT HOW DO WE KNOW?
